To Whom It May Concern.

Hilde has been an employee of Aspect Huntley for approximately 6 months. In that time Hilde has worked in an Assistant Equity Research Analyst position, undertaking various financial statement analysis and data entry tasks.

I have known and worked with Hilde during her time here at Aspect Huntley and recommend her as a hard working individual. Hilde has demonstrated extensive team working capabilities and communications skills within the workplace, working together with others to solve various day-to-day issues and tasks.

Hilde's tasks have been undertaken mainly on the company's Microsoft Access user interface. Hilde has become familiar with the various functionalities of the application throughout her time here at Aspect Huntley.

I would not hesitate in recommending Hilde for any positions within the financial services industry and know that she will fulfill any role to an exceptional standard. I am available for contact with regards to any further questions you may have.

Yours Sincerely,

Ramoun Lazar
